

MCN Sunday Prayer for Laborers:

God of the Harvest, open our eyes to see the ripe harvest fields around us and throughout the world (Jn 4:35). Give us joyful expectation as we participate in your harvest, sharing the Gospel with those you've placed around us and trusting Your Spirit to work faith in those who don't yet know You. Raise up more laborers to serve in the harvest fields of our country and to proclaim the Gospel across the world (Lk 10:2). Send out global missionaries to share the Good News of Jesus in places where there are few believers. And show each of us today what our role is in the Great Commission that we might together give, pray, send, or go so that people of all nations may hear and believe the Gospel.

Other Prayers to Include in the Prayers of the Church:
